

OUR WEDDING:

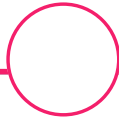

what's important

NAME: _____ NAME: _____

WEDDING DATE: _____

When reading a story, it's important to understand the bigger story behind it. Write down your story and all of the things that are most important to you as a couple.

▼ How we met

▲ Our lives

► Our dream wedding

All of these start the basics of what type of wedding you'd like and what suits you the most.

What is your absolute must have for your wedding?

Are there any traditions you don't want to have at your wedding?

What help do you need from Magpie Event Planning?

Will there be anyone else helping with your wedding who I will need to be in touch with?
